DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

In reply to your letter and information received by fax on October 23, 2006, I am sending out the Notice of Allowance that was returned to the PTO on March 30, 2006. The Notice of Allowance was returned to us probably due to a mistake by the Post Office. Your forwarded material has now been sent for scanning. This should resolve the unfortunate delays with your Application.

MESSAGE

Thank you very much for your phone call.

It is important to note that the address recited at the top of the Notice of Allowance was correct when the Notice of Allowance was mailed on or around March 16, 2006. Incidentally, I did move my practice from Texas to Arizona in July of 2006, but this was four months after the Notice of Allowance was returned by the Postal Service to the U.S. Patent and Trademark Office. Attached are copies of 1) the current attorney/agent correspondence information in 10/716,770, 2) the notice of customer number record change for customer number 38396 dated August 25, 2006 and 3) the corresponding customer number correction accepted on August 23, 2006. Also attached is a change of correspondence address for use in this application, if necessary.

It may be that the cover sheet of the Notice of Allowance was inserted backwards in the window pocket section of the envelope. Alternatively, it may be the Postal Service improperly returned to the Notice of Allowance to the Office. Be that as it may, please remail the notice of allowance and reset the period for response since the U.S. Postal Service clearly returned the Notice of Allowance to the Office on March 30, 2006 without delivery of the Notice of Allowance to the address that was correctly recited on the Notice of Allowance.

Please contact me if you have questions or need additional information,
